## Wire Electric Supplies Limited Quality Policy Statement

WES is fully committed to a quality policy that the products and services that we supply meet the quality requirements and needs of our customers. This quality policy extends to ensuring that the service to the customer is efficient, professional and always responsive to our customers requests and needs.

WES operates in a highly competitive market whereby customers will only maintain their association with us on the understanding that we continue to satisfy their requirements on every level possible. It is a mandatory requirement that, company personnel act in compliance with this policy and the company's associated systems and procedures. This is achieved by a culture of continuous improvement.

The quality policy is fully implemented by means of the documented system contained in the company's quality & operating procedure manuals. The quality system encompasses the principles and values we hold as a company and has compiled and certified within the BS EN ISO 9001:2015 standards to which the company is fully committed.

The quality management systems covers all aspects of the business including, and not exclusive to, WES Distribution and WES Covered Conductors.

This statement presents the company's commitment to this quality policy by the Managing Director and all personnel of WES.

### Quality Objectives

- Provide products and a service to a consistent high standard
